**Dated September 20, 2021**

Dear Sir/Madam,

Warm Greetings from the Central Placement Cell, University of Delhi!

It is said that the world of academia reflects a hub of boundless ideas and possible inventions and innovations; however, the path from a classroom/research laboratory to marketplace is often unbelievably elongated, undefined and ambiguous. In this competitive global era, since resources are not distributed in an even manner, it becomes an arduous exercise to tap expertise in any predetermined or specified areas. In order to bridge the gap between industry and academia, University of Delhi has set up the Central Placement Cell under the aegis of the Dean Students' Welfare Office. The main endeavour of CPC is to get students placed in reputed multinational, government organisations, NGOs and the private sector organizations.

With utmost pleasure we take this opportunity to state that the Central Placement Cell, with your kind and consistent support has entered the 13 years of its inception. All the previous 12 batches registered with CPC have been duly benefited from the Industry- Students interaction. Over the years, corporate houses from different sectors have participated in our endeavour and recruited large number of students from the university and its constituent colleges. We express our gratitude towards these companies for reposing faith in our students and selecting them.

Having said this, the Central Placement Cell once again seeks the support of all corporate houses and NGOs in our endeavour to provide suitable placements to our students and help them in their competency's enhancement. We also take this opportunity to invite your company to participate in the Internship Programme for first & second year students.

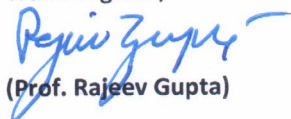

Kindly let us know your requirements for human resources so that we can provide smooth and seamless facilitation of the recruitment process at CPC, University of Delhi.

The CPC Corporate registration form is available online at <http://placement.du.ac.in>. The registration fee of Rs.10, 000/- (Ten Thousand only) should be paid online through portal and the registration is valid for one year. This registration amount is inclusive of all logistical support to the company and the last date for registration is June 30, 2022. Logistical support includes:

- A big Hall/Auditorium with the capacity of 400+,
- Separate rooms for GD and interviews (capacity for each room is to accommodate approximately 30 students),
- Volunteers to facilitate seamless recruitment, process and in-house management
- Security arrangements
- Lunch/Tea/Coffee for the recruiters
